

Invitation to Participate in Research

Would you like to take part in a research exploring drug use in later life?

How can you help:

- Tell your story with an online or over the phone interview in a safe space. It will take 1-2 hours.
- Your answers will be **protected, confidential and anonymised**. You are free to skip any questions you do not want to answer.

I would like to hear from you if you:

- Have past or current drug use experience
- Aged 40 and over
- Live in the UK
